

An ISO 9001 Company

**Machine Tools Syndicate** was founded in 1964. Through the years, "Perfection" has been the only goal we pursue. In order to satisfy our customers, with continuous efforts, we are working towards perfection through a Quality Assurance System. The company has absorbed technological developments, as well as assisted by its own research and development centre, has upgraded and extended the range of applications and added to the variety of products manufactured by us.

**Machine Tools Syndicate** has been a professionally managed **MANUFACTURERS, EXPORTERS, STOCK HOLDERS & SUPPLIERS** of all types of Gun Metal, Cast Iron, Cast Steel, Stainless Steel and Ferrous Steel Valves and Cocks for Water, Steam, Air, Oil, and Chemical + Boiler Mounting and pipe fittings accessories. We manufacture valves and pipe fittings, tube fittings, hydraulic fittings, pneumatic fittings and instrumentation fittings. Also we are manufacturers of Swage Lock Type Double Ferrule Compression Fittings in all metals. We also deal in Pipes & Tubes of various sizes.

Over the past decades the products manufactured by Machine Tools Syndicate has earned a reputation for quality and reliability in a worldwide spectrum of industries and applications. Our products are best suited to various industries like Pharmaceuticals, Chemicals, Petrochemicals, Power Generation, Fertilizers, and Nuclear Plants. We have been supplying our products to various industries in Indian markets and abroad.

The "**Machine Tools Syndicate**" has drawn together under the one roof of the total spectrum of trading, stockholding and processing activities in Stainless entire range of Pipes Fittings such as BW/ SW/ Screwed/ Forged & Compression Type with Ferrules such as Elbow, Tees, Reducers, Stub ends, Flanges, Unions, Caps, Nipples, Couplings, Elbowlets, Sockoletts, Weldoletts, Nuts, Bolts, Studs, Washers etc.

- ❖ We provide several products of multiple brands namely **TUFLIN, TYCO, KLINGER, DEITECH, DELTA, KSB, XOMOX, KEYSTONE, SPIRAX, SIGMA FLEX, AUDCO, etc.**

Right product for the right requirement at the right price, i.e. rather than a mere supplier of the product we take utmost efforts in understanding the client's requirement, identifying the right product at the right price. This has resulted in close ties with major customers within India

We have been developing at a great speed and our aim is to increase the efficiency in standardization of supply chain management. We would be glad to receive your enquiries which would receive our prompt attention and utmost response.

Thanking you,  
Sincerely,  
For, Machine Tools Syndicate
