Our Profile

SilverPixelz is a media agency offering Creative and Interactive solutions for your Brands and Business.

Since 2006, we are offering media solutions to our clients. We are a company with the desire to be the best and produce the best. We are the people in the business with solid principles, where everyone benefits: customer, employee and company.

From the very beginning, we have serviced numerous top level companies, executed the most demanding projects and churned out masterpieces.

Our Aim is "To be an internationally recognized agency, that leverages state of the art technology to provide client centric solutions."

"Employee's can make or break an organization" is what we strongly believe in. Our team is made-up of creative experts, user - experience gurus, technical geniuses, business specialists, and above all people who love creativity. Our diverse talented team is our greatest asset.
