

WALTZER MIDDLE EAST I.G.

COMPANY PROFILE

Waltzer Middle East I.G. is a leading company based in Dubai, that is involved in the export, import and supply of general construction hardware, oil fields, marine, welding and safety equipment tools, building materials and fasteners.

Established in 2007, it began as a small trading company dealing in construction materials which then ventured into other related areas in petrochemical, marine, industrial and construction industries.

We will be glad if you can incorporate our name in your list of approved vendors and give us an opportunity to have an audience with you to submit our detailed Profile and Catalogues.
