

Dreamz Interiors

Interior Designers & Consultants

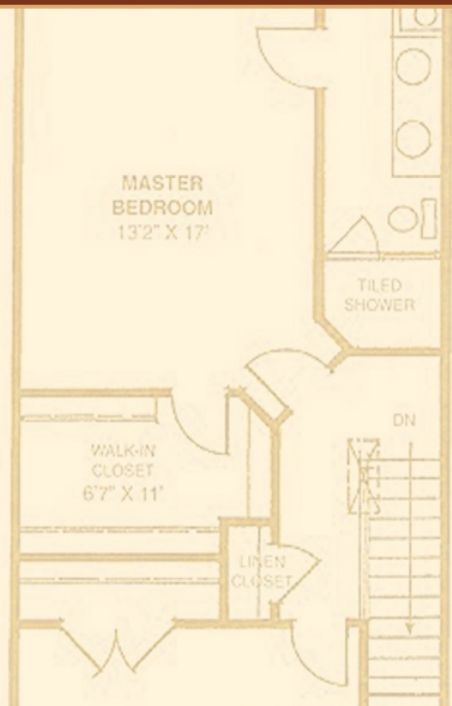

Introduction

We take this opportunity to introduce ourselves as Interior Designers & manufacturers of furniture & fixtures for both residential & commercial premises.

Our company, comprising of a team of designers who have experience of 7 to 12 years in the field, has over the years formed an association of various related agencies involved in the process of job execution of interior projects. Each of these agencies further employs craftsmen specializing in their specific field of work, thus assuring our clients not only the highest standards of quality and finish but also completion of the job within a specified time frame. Moreover, we are able to offer flexibility of budget costs through various material options as per client requirements, an important factor for present day interiors.

A brief history...

A couple of years ago we decided to strike out independently on the strength of experience gained during our association with renowned Architects & Interior Designers, Wilson Associates (Singapore)., business associates with AL Nabouda Liang O Rourke Dubai, one of the leading Construction firms in the country, later to which Aliasgar was involved in Rakesh Dewaan's residential project with Arch. Mahesh Punjabi. and then ofcourse associated with East 9 Architect & Planner.(Singapore) with Lokhandwala Const. During our tenure with the firm, we had been actively involved in designing, supervising and executing the interiors of numerous business houses and residences for the firm. In the years that followed we had the opportunity of successfully designing and executing various interior works comprising of offices, residences and various other commercial establishments,
