Corporate Milestones

- ▶ Japanwala group has been a recognized leader in the automobile spare parts trading, wholesales and manufacturing for over 30 years.
- ▶ The group's founding person "Mr. Mansoor Ali Japanwala", started his professional career in 1966 by establishing a retail outlet for automobile spare parts named Japanauto in Karachi.
- ▶ The first Toyota spare parts dealership in Karachi was acquired.
- ▶ A multi-storey business plaza named "Japan Plaza", located in the heart of Karachi business district was constructed.
- ▶ An automobile radiator manufacturing plant "Nationwide Industries (Pvt) Ltd" was established in 1982, which today controls more than 40% of the Pakistan's market as well as sells at a premium owing to it's quality control systems and engineers.
- ▶ Model Enterprises (Pvt) Ltd was formed in 1988, with the aim of import, export and trading of metals and spare parts.
- ▶ Excel Industries was established 1997 to meet solder demands of radiator and electrical industries as well as internal demand.
- ▶ Curve Technologies (Pvt) Ltd was formed in 2002, which is a multimedia and web design house with alliance with a US based consulting company called Ohrizon Inc.
