

INDUSTRIAL AND ENVIRONMENTAL MANUFACTURERS REPRESENTED (since 1947)

www.bdpindustries.com

Belt Filter Presses, Gravity Belt Thickeners, Rotary Drum Concentrators, Lime Stabilization Systems, Liquid & Dry Polymer Systems, Conveyors, & Process Control

www.mppumps.com

Complete range of cast Iron, bronze, aluminum and stainless steel centrifugal pumps.

www.iapfan.com

Engineered Fans & Blowers for Industrial & Environmental process applications.

www.marchpump.com

Seal-less magnetic drive pumps in kynar, ryton, carbon filled PVDF and stainless steel.

www.kunklevalve.com

Bronze and cast Iron safety/ relief valves for air, steam, gas or liquid applications

www.weissinstruments.com

Manufacturer of industrial instruments: thermometers/gauges.

Manufactured by: [GTC](http://www.gtc.com)
www.weirwasher.com

WeirWasher Automated Cleaning Systems (ACS) remove algae, scum, and other foreign material from WasteWater Treatment Plant (WWTP) clarifier weirs and troughs.

www.franklinmiller.com

Crushers/Mills/Mixers, Grinders/Comminutors, Screening and Screening Systems, Granulators, Industrial Shredders, Engineered Systems

www.standardpump.com

Complete line of US made drum pumps, batch control systems and vertical pumps

www.spencerturbine.com

Complete line of air and gas handling equipment, including single & multistage centrifugal blowers, gas boosters, regenerative blowers, central vacuum systems, mobile vacuum units, separators, electrical control panels, tubing & fittings, vacuum hoses, inlet valves & tools and related system accessories.

www.jdvequipment.com

Level Loodor(tm), Compactors, Rotary Drum Thickener, Shaftless Screw Conveyor, Screens, Grit Classifiers, Digester Covers, TurboMixer, Sludge Heater & Exchanger Systems, Double Membrane Gas Holder.

www.wsgandsolutions.com

Bar Screens, Grit Systems, Fine Screens.
