CROSS WAVES INTERNATIONAL  
SHIPPING SERVICES (L.L.C.)

**YOUR RELIABLE FREIGHT CONSULTANT**

---

## **Our Aim & Objective**

Our goal is to be the vital link in your distribution chain. Our focus is you and we will support you in today's fast paced global environment through a complete logistics solution **IN SHIPPING AND AIR FREIGHT** to meet your specific needs.

## **Airfreight**

**CWIS** manages a smooth logistic system, collecting and flying your time-sensitive and valuable cargo using the best routings available exercising utmost care in handling.

## **Sea freight**

**CWIS** can provide regular FCL/LCL shipment in/out of Dubai and near Ports. Can provide excellent rates worldwide specially to China, India, African sectors, Iran, Kuwait, G.C.C. And Subcontinent.

## **Customs Clearance**

**CWIS** provides a professional customs clearing service with the knowledge of all the procedures and requirements. Generally this is part of our value added services being offered to our customers.

## **Land Transport**

**CWIS** offers regular transport services within UAE as well as to almost whole of GCC (Specially in Kuwait) LTL and Full loads are dispatched out of Dubai on regular basis. We also offer an efficient system of domestic transport suited to your cost and time considerations.

## **Sea / Air**

Dubai being a major trading and transshipment Hub in this region has ideal location and facilities for handling Sea/Air shipments to various world-wide locations. We can carry high value goods into Middle East, Asia, Africa, European and US destinations and to many locations including South & Central America. Our usual time for handing a sea/air shipment from vessel discharge to handing over to Airline is less than 6 working hours.

## **Warehousing**

We offer a **CWIS** managed & operated warehousing facility providing consistent care for every consignment. Our warehouse is tailored to meet different commodity requirements and we offer a full range of facilities like order processing, Short-Long terms storage, De-Consolidation, Re Export etc.
